CULTURE.....

Fact or Fiction...

- The 'good old days' of grant funding and capital expenditure on cultural assets are behind us
- There are insufficient funding sources available to provide cultural assets in the future
- Culture simply cannot be a priority when issues such as education, health and social inclusion need to be addressed....

We had a great week...

Some recurring themes...

- Partnership working to provide multi-activity, multi-use assets and services
- Use of existing procurement structures in health, education etc. to provide cultural infrastructure
- Maximisation of legislative and development opportunities to cross-fund cultural delivery
- Flexible use of local authority budgets to provide a mixture of capital and revenue support....
